

Tifene LE BLANC

JUNIOR FULL STACK DEVELOPER

About myself: With a background in human resources, my passion for problem-solving and desire for a more creative and fulfilling career led me to transition into tech. I aim to combine my technical expertise with a passion for creating modern, user-centric applications, delivering innovative solutions that emphasize intuitive design and exceptional user experience.

Portfolio: Proficient in front-end (HTML, CSS, Remix, JavaScript) and back-end (REST APIs, Ruby on Rails, Node.js, Git) development, with expertise in SQL/NoSQL databases like PostgreSQL and agile workflows. Recent projects: [click here](#).

WORK EXPERIENCE

FRONT-END WEB DEVELOPER

TLB WEB DEVELOPMENT - FREELANCE (MONTPELLIER, FRANCE) | DEC 2024 UNTIL NOW

- Worked on diverse projects using HTML5, CSS, Javascript, React, Tailwind, ... including a Surfhouse website and custom ThemeForest templates. See more on my portfolio.

LANDSCAPING JOB

CLEANPRO SERVICES (NEWCASTLE, AUSTRALIA) | FEB - MARCH 2023

- Executed landscape designs, including digging, weeding, and site preparation, while enjoying the opportunity to work in nature.

HUMAN RESOURCES ASSISTANT

SOCIÉTÉ GÉNÉRALE (BORDEAUX, FRANCE) | 2022 - 2023

- Managed employees and temporary workers through onboarding, offboarding, and internal transfers, ensuring all administrative tasks were completed efficiently.
- Led HR projects, including designing and organizing tailored training programs and implementing tools and processes to optimize recruitment.
- Supported talent acquisition by assisting with job postings, scheduling interviews, and conducting candidate communications and interviews.

HUMAN RESOURCES ASSISTANT

NAPALI SAS, BOARDRIDERS (SAINT-JEAN-DE-LUZ, FR) | JANUARY - MARCH 2022

- Recruited Sales Representatives and Managers for Boardriders shops, focusing on hiring passionate and qualified individuals, many of whom were surfers.
- Drafted job advertisements, sourced and pre-screened candidates, and conducted initial interviews.
- Organized tailored training programs to meet employees' specific development needs.
- Built partnerships with recruitment agencies to expand access to a diverse and talented candidate pool.

MANAGEMENT & RETAIL MEMBER ASSISTANT

RIP CURL STORE (DAKAR, SENEGAL) | 2015 - 2017

- Welcomed and guided customers to the Rip Curl store or surf school, providing information and customer service.
- Managed the surf school schedule efficiently, ensuring smooth operations and timely bookings.
- Provided sales advice and assisted customers in product selection.
- Handled supplier deliveries, conducted inventory checks, and organized store shelves.

EDUCATION

BOOTCAMP - FULL STACK WEB DEVELOPPER

LE WAGON (MELBOURNE) | JUNE - DECEMBER 2024

- Proficient in frameworks like Remix, Node.js/Express, Ruby on Rails, and React/Redux
- Expertise in database management (PostgreSQL, Prisma, SQLite) and performance enhancement using Next.js and TypeScript.
- Creating responsive designs with TailwindCSS and implementing security best practices (input validation with Zod, HTML sanitization with DOMPurify, JWT authentication, OWASP guidelines).
- Adept at developing REST APIs and collaborating effectively via Git, GitHub, and CI/CD pipelines, with proven deployment experience on Heroku.

MASTER IN MANAGEMENT & HUMAN RESOURCES

INSEEC BUSINESS SCHOOL (BORDEAUX, FRANCE) |
2021 - 2023

- Exchange semester in Rio de Janeiro at the Pontifical University of Rio de Janeiro (PUC).

BACHELOR'S DEGREE IN PSYCHOLOGY

UNIVERSITY OF BORDEAUX, FRANCE | 2018 - 2021
